🌟 ADHD Budget Planner

Your low-stimulation, privacy-first personal finance sanctuary with Leo's interactive guidance.

🚀 Tap Here to Launch Your Web App

STEP 1 — SAVE TO HOME SCREEN

Open the link in **Safari** (iOS) or **Chrome** (Android) and tap **"Add to Home Screen"** for instant full-screen app access.

STEP 2 — TAKE LEO'S TOUR

Tap **"Leo's Mindful Tour"** in the top header. Leo provides complete hand-holding across all screens with interactive spotlights.

STEP 3 — LIVING COSTS & COOLDOWN

Input your recurring essentials in **Living Costs**. When an impulse urge strikes, park it in **Cooldown Hold** for 48 hours.

STEP 4 — SENSORY FOG MODE

When sensory overload hits, tap **Fog Mode** for a dimmed warm amber sanctuary showing only your immediate allowance.
